✓ Honorable Robert D. Drain
United States Bankruptcy Court
Southern District of New York
One Bowling Green
Room 610
New York, New York 10004

I object to the motion made on February 4, 2009 by Delphi Corporation and certain of its subsidiaries and affiliates, debtors and debtors-in-possession, Chapter 11, Case No. 05-44481 (RDD), for order under 11 U.S.C. 105, 363(b)(1), and 1108 confirming debtors' authority to terminate employer-paid post-retirement health care benefits and employer-paid post-retirement life insurance benefits for certain (a) salaried employees and (b) retirees and their surviving spouses.

Approval of the motion would cause unnecessary and real financial hardship on me and my wife; and, other current beneficiaries of these retirement benefit programs.

A delay in ruling on the motion is needed to let President Barack Obama's stimulus package take effect to turn the economy around to enable people to get back to buying cars.

A delay in ruling is needed to investigate why the hardship is being paid for by the salaried employees so that the hourly employees are not affected at all and feel no impacts of this motion.

This motion is unfair treatment and not equitable for the salaried retirees and their spouses, versus the preferential treatment to hourly workers, of this same corporation.

I hope that you agree that approval of this motion would not be the right thing to do.
